

## **IMPORTANT NOTICE FOR CUSTOMERS OF SciTropin A**

### **BEWARE OF IMITATION/FAKE PRODUCT**

**Only purchase SciTropin A from a qualified doctor or pharmacy.**

SciGen is aware a product purporting to be Human Growth Hormone is being illegally distributed in Australia. The product that has been sold over the internet is sold under the name Sci-tropin Type 1-A. This is a very similar name to SciGen's SciTropin A which is pictured below.

The Sci-tropin Type 1-A product in question is not the product distributed by SciGen and, at this point in time, SciGen does not know the composition of the product. The product may be harmful. SciGen Limited and SciGen (Australia) Pty Ltd recommends that anyone who is concerned about whether they have purchased the genuine SciTropin-A product should cease using it and should contact Jean-Claude Balducci, Country Manager, Australia and New Zealand on +61 2 9485 1800 or [jcbalducci@scigen.com.au](mailto:jcbalducci@scigen.com.au).

SciGen recommends that customers take care to ensure that they are satisfied of the identity and qualifications of any doctor or pharmacist from whom they propose to purchase SciTropin A so as to ensure that they are purchasing the genuine SciTropin A product distributed by SciGen.
