

Former CFO Takes On New Responsibilities

Sydney, Australia. 29 September 2006. ASX listed Biopharmaceutical Company SciGen Ltd (ASX:SIE) today further announces that the former CFO, Ms. Jenny Low will continue on with SciGen in a new role.

Ms. Low's current responsibilities consist of transferring all financial matters over to the newly appointed CFO, Mr. Martin Cooper. This will begin October 1st, 2006 and continue on through December 31st, 2006. Beyond that time, Ms. Low will continue to give her full support to the new CFO.

Beginning January 1st, 2007, Ms. Low's responsibilities will focus on Corporate Governance, Personnel, Administration, Legal and Operational functions. SciGen's rapid growth necessitates a closer monitoring of all these tasks.

Ms. Low's new responsibilities with the Company are in no way a reflection of her performance which was stellar throughout her long career with SciGen.
