SciGen Limited

SCI GEN WELCOMES SINGAPOREAN DIRECTOR

SciGen welcomes Singaporean Director

The Board of SciGen announced today that Mr S Iswaran has accepted an invitation to join the Board of SciGen Limited from 1 January 2003.

Mr Iswaran is Managing Director of Temasek Holdings Pte Ltd and a Member of Parliament in the Singaporean Government.

Temasek Holdings is the major holding company of the Singapore Government with assets in excess of S\$50 billion.

Mr Iswaran has a Bachelor of Economics with first class Honours from the University of Adelaide and a Masters in Public Administration from Harvard University.

Mr Iswaran has broad experience in the public, private and NGO sectors of Singapore and also across programs and policies pertaining to security, education and multilateral trade in the context of ASEAN, APEC and the WTO.

Mr Iswaran's corporate experience in Singapore and SE Asia is a tremendous addition to the current skill mix on the SciGen Board.

Mr Iswaran is also an elected Member of Parliament for the West Coast GRC in Singapore.
